

Danny Gutman

Managing Director CIBC Bank USA

Danny Gutman is a Managing Director in the CRA Strategy and Community Impact Department at CIBC Bank USA. He is passionate about helping to create and preserve affordable and safe housing for everyone and has been involved in multiple facets of the Real Estate Industry including, financing and loan origination, risk assessment, affordable housing, permanent supportive housing, construction and project management, and asset management. In 2017, Danny joined CIBC to help underwrite and manage the Bank's CRA Investments portfolio, which includes a mix of LIHTC projects and Funds, Small Business Investment Funds, CDFI loan pools, New Market Tax Credits, as well as other community development-based investments. Prior to CIBC, Danny was an Underwriting Manager and Development Officer in the Multifamily Financing Department at the Illinois Housing Development Authority.

He has an undergraduate degree from the University of Utah, a MS Degree in Real Estate from Roosevelt University, and a MA Degree from Fuller Theological Seminary. He has three daughters and a male poodle, and as a native Utahan, loves to adventure outdoors whenever possible.
