

Daniel Jisa

Daniel Jisa is Managing Director at SI Capital Group and responsible for leading futures markets, strategy and operations.

Previously, Jisa was a Senior Director, Head of Cboe Futures Distribution where he oversaw the implementation of Cboe's broader futures product distribution, sales and execution strategy along with focusing on expanding the use of Cboe's futures products across the global customer base including various data and analytic services and trading platforms.

Prior to joining Cboe he was Head Trader, Director of Fixed Income at Traditum Group and a member of the Chicago Board of Trade.

In addition to a focus on financial markets, Jisa has been an active investor in many entrepreneurial projects. Specialties include financial technology, exchange negotiation, trade spreads, recruiting, employee management, client service/relationships and capital investment fundraising.

Daniel Jisa is involved with St Jude and Alex's Lemonade stand to change the lives of children with cancer through funding impactful research, raising awareness, supporting families and empowering everyone to help cure childhood cancer. He is also a founding board member of The Friends of the Fourth which helps fund the 4<sup>th</sup> of July festivities and other community events.
