

Susan Schierl Sullivan

Community Representative

Susan was introduced to Renaissance Social Services through her work at Impact Chicago. She was compelled by the innovation and creativity of our efforts to end homelessness in Chicago. Susan worked for 20 years as a prosecutor for Cook County and taught Law at DePaul Law School for over 7 years. The skills that she will be bringing to the board of directors are her organization skills, oratory skills, her drive to make the mission succeed and her ability to make contact with individual and corporate donors.
